

From Christophe Xavier Clivaz, Director
To Swiss Schools
Date 30th March 2015
Subject Swiss Learning IT Benchmarking Workshop

Dear Sir, Dear Madam,

Please find below the programme regarding the Swiss Learning IT Benchmarking Workshop

Friday 8th May 2015
Collège du Léman, Versoix, Geneva
10.00am to 4:00pm

1. Agenda

- Integration of ICT in the classroom
- How do the other schools apprehend the Ruben Puentedura, SAMR model (Substitution, Increase, Modification and Redefinition)?
- Managing the increasing amount of data (students creating digital data, e-portfolio etc). What are the solutions to these challenges?
- Cloud or centralizing? What experiences have we gained from these solutions? Where are we going?
- IT security policy, performance and restrictions network/internet in boarding schools?
- What place does technology occupy within the teams and academic personnel associated with Swiss Learning schools' strategic plans. What type of access do you give to top management?
- Miscellaneous
- Visit of IT and EdTech at Collège du Léman

2. Target audience

- Directors, teachers and staff involved in IT within the school as well as EdTech heads.
- IT department staff willing to update their knowledge will benefit the most from this day

3. Lunch and accommodation

- Lunch included
- If accommodation is required please contact sarah@swisslearning.com

4. Registration

- Please confirm by email sarah@swisslearning.com by 30th April 2015

Geneva, March 2015
